

## **SD2001.NET GIVES 10% DISCOUNT TO BUSINESS START-UPS ON WEBSITE DESIGN SERVICES**

**SD2001.net, has announced the launch of a new service offering a 10% discount on website design services, aimed New Business Start-ups.**

All website's are purposely designed to have a clean layout and easy navigation to ensure it is accessible for even those of us who are not computer minded.

Due for launch on 12th March 2005, SD2001.net has already provided a vital service for many companies, and always provides excellent value for money.

Anthony Marriott from SD2001.net comments: "After a successful year we have expanded our service to give New Business Start-ups the best value for money, at one of the hardest times of running a business".

At SD2001.net we speak in easy to understand terms, making setting-up a new website stress free and giving you the chance to get the website your company really desires, to find out more visit: <http://www.sd2001.net>.
